Interviews by *JERASAK C.*

HOW OLD ARE YOU ? AND TELL ME ABOUT A SMALL HISTORY OF NIFLHEIM AND *GIVE* US A CURRENT LINE-UP IN NOW DAY ?

" NIFlheim " was from in 1995 by myself (vocals/ guitar/bass) and Aegir (drums). We rehearsed on our song while searching for a bassplayer to complete our line-up . In June 1996 , we entered "ZEN, studios " and recorded our self-titled,debut demo.Since our searchfor a bassist was unsuccessful, we recorded solely as a 2-piece band.In February 1997, we released a video entittled "SONNENWENDE". It containded 2 song off our demo ("The Tomb "and " Frozen " solid) and was a non- professional production. Currently, we are rehearsing our new material for a full- length C.D.

PLEASE,TELL ME ABOUT FIRST DEMO YOUR ?AND EXPLAIN SOME SONG?

The demo was recorded+mix in 9 hours and contains 4 song, Hammer of the North , The Tabb, Frozen Solid, Haunted place. My personal favourite would be Frozen . ,as I think it is one of the more powerful song on our tape. Overall, the reponse to our band and demo has been mostly postive ..We are receiving airplay around Australia,interests from zines and we currently have distibution through "WARHEAD RECORDS, MORBID PRODUCION and GRIND EMPIRE PRODUCTION.

HOW MANY COPIES WERE RECORDS FOR A FIRST DEMO OF " NIFLHEIM"? AND HOW MANY HAVE YOUR DEMO SOLD SO FAR ?

We got 200 copies originally made ,but now we are selling beyond that,so consequently I am not sure of the exoct number that have been sold to date.

AND HAVE YOUR SEND IT TO LABELS ?

Just after the demo was released,I sent promo packs to several labels(and'zine,radio shows etc.),around Australia and throughout the world.We goined interest from 2 particular labels,but nothing is difinite as yet.

HOW ' S LIFE IN BLACKTOWN ?

BLACKTOWN is an extremely dull + boring place to live . We only stay here , because we are to lazy to move elsewhere!

DESCRIBE YOUR MUSIC STYLE ? AND WHO ' S INFLUERCES ?

Our style could be described as black metal but with strong overtones of death/ thrashmetal. We boyh listen to a fair amount of old and new metal, these influences can be heard throughout our music.

WHO'S A WRITEN YHE LYRICS AND MUSIC IN YOUR BAND ?

On our demo, the lyrics were written solely by Aegir and the music was a mixture from both of us.The new material contains 99 % of my lyrics,and the music (apart form Aegir writing 3 song)is mine also.

WHY HAVE YOUR CHOSEN THIS NAME "NIFLHEIM" ?

I chose the name because I like it ' s meaning a lfelt that it suited our band. (In Norse paganism, Niflheim is a realm of immense cold ice. A misty world for the evil souls that have failed the journey to VALHALL). We are quite aware of the existence of the other few Niflheim' s around , but we intend to keep our name regardless .

BLACK METAL SCENE IN YOUR AREA IN NOWDAY ?

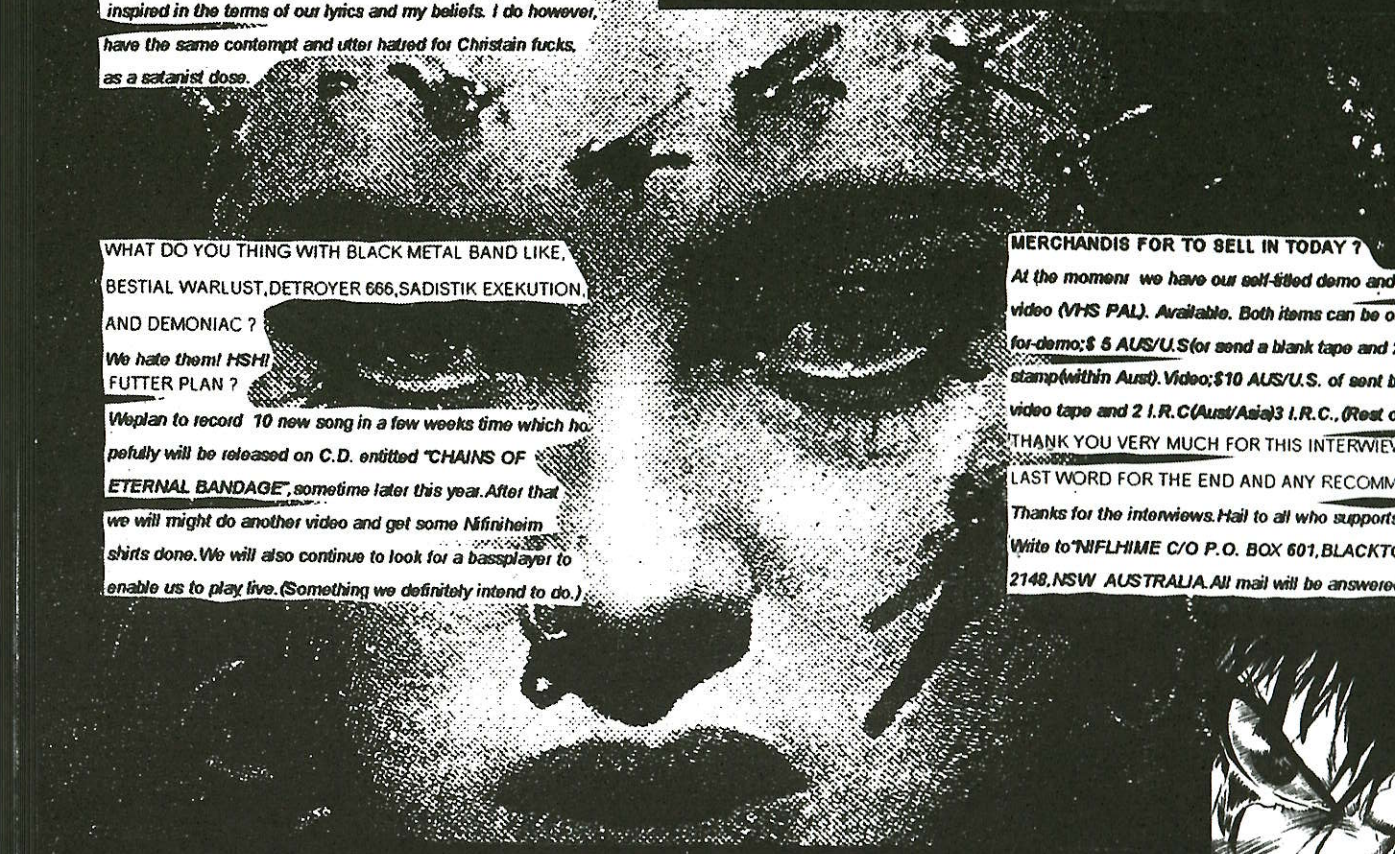

There is a fair amount of great + zine in NSM and throughout Aust. But the live-scene particularly in Sydney is quite dead. When there is the occasional B.M. gig,only a small around bother to show up,which is really annoying! (FUCKING WIMPS).

WHAT DO YOU KNOWS UNDERGOUND METAL , SCENE FROM "SOUTH-EAST SIA"LIKE,MALAYSIA,SINGAPORE, BRUNEI, THAILAND,PHILIPPINES,INDONESIA ? PLEASE TELL ME.*Unfortunately,I haven' t got much knowledge on the scene in "South-East Asia".I only have contact with "Grind of 'GIND EMPIRE PRODUCTION'/"Aromatic Corpse'and Og 'MEMORY IN DARKNESS' ZINE/AROMATIC CORPSE.*

ARE YOU IS A SATANIC BAND ? AND INTO SATANIC/ OCCULT STUFF ?

We are not really a satanic band,but more so Norse pagan inspired in the terms of our lyrics and my beliefs. I do however, have the same contempt and utter hatred for Christain fucks, as a satanist dose.

WHAT DO YOU THING WITH BLACK METAL BAND LIKE, BESTIAL WARLUST,DETROYER 666,SADISTIK EXEKUTION, AND DEMONIAC ?

We hate them! HSH!

FUTTER PLAN ?

Weplan to record 10 new song in a few weeks time which hopefully will be released on C.D. entitled "CHAINS OF ETERNAL BANDAGE", sometime later this year.After that we will might do another video and get some Nifiniheim shirts done.We will also continue to look for a bassplayer to enable us to play live.(Something we definitely intend to do.)
